Alexandria, VA 22313-1450

**RENEWED PETITION TO ADMIT OATH & DECLARATION PURUSANT TO  
37 CFR 1.47(a), 35 USC 118**

This paper is responsive to the *Decision on Petition under 37 CFR 1.47(a)* dated 12.November.2008 in the present application.

This paper also incorporates an appropriate petition for a two-month extension of time in order to permit for the timely filing of this paper and the attachments thereto with regard to the *Notice to File Missing Parts*.

US Serial No. 10/597550  
Page 2 of 4

The applicant encloses copies of the following documents for consideration by the Office:

- (a) Copy of a *Combined Oath, Declaration and Power of Attorney* with respect to the instant application;
- (b) Copy of a US *Assignment* with respect to the instant application;
- (c) Copy of a letter dated 26.January.2009 addressed to Mr. Lamson Nguyen, of Somerset, New Jersey transmitting copies of the above identified patent application as well as copies of the (a) *Combined Oath, Declaration and Power of Attorney* and (b) US *Assignment* for his review and signature.
- (d) Copy of Federal Express tracking report, indicating receipt of the aforesaid letter at the last known residence address of co-inventor Lamson Nguyen on 27.January.2009

The undersigned respectfully requests recognition of the satisfaction of the requirements for filing of an application in the USPTO pursuant to 37 CFR 1.47(a), 35 USC 118, notwithstanding the non-cooperation of the named joint inventor, Lamson Nguyen, to sign the *Combined Oath, Declaration and Power of Attorney* in the application, and permit the successor in interest, Reckitt Benckiser Inc., the continue prosecution of the application in his stead.

In view of the foregoing facts that are believed to clearly establish that the documents requiring signature by co-inventor Lamson Nguyen were received at his last known residence address. As a review of the (d) Federal Express tracking report will show, the papers referred to in the letter dated 26.Jan.2009 were received as Lamson Nguyen's last known addresss, and signed for by a "G. Nguyen".

US Serial No. 10/597550  
Page 3 of 4

The undersigned notes that that co-inventor Lamson Nguyen has had ample opportunity to review these aforesaid documents and to sign the same and enter into the application. To date, the undersigned has received no documents or other communications from Lamson Nguyen with regard to the above.

It is further stated that such behavior by Lamson Nguyen is wholly consistent with the circumstances of several further related patent application on which Lamson Nguyen was a named co-inventor. Reference is made to the documents submitted as "(e), (f), (g), (h)" in the applicant's prior Petition dated 01.October.2008, and the accompanying remarks.

The applicant, Reckitt Benckiser Inc., prays that this petition be granted to avoid irreparable damage, e.g., loss of rights to its patent application as well as potential loss of its rights to any patents which may issue therefrom as they are the inventors' successor in interest.

Favorable consideration of this *Petition* and return to the normal course of prosecution is respectfully requested. It is respectfully requested that the *Combined Oath, Declaration and Power of Attorney* be admitted pursuant to 37 CFR 1.47(b) wherein the inventor relating to this U.S. patent application cannot be reached.

It is further respectfully requested that all claims to priority rights be recognized.

Petition for a Two-Month Extension of Time

The applicants respectfully petition for a two-month extension of time in order to permit for the timely entry of this response. The Commissioner is hereby authorized to charge the fee to Deposit Account No. 14-1263 with respect to this petition.
